

Notice sheet
19th January 2020

Welcome to our Worship!

To use the induction Loop, hearing aids need to be turned to the "T" position.

Please ensure mobile phones are turned off or onto silent mode.

We offer non-alcoholic wine and gluten free bread as options at communion. If you would prefer gluten free bread, please tell a sides person before the service who will pass this on to the Priest. For non-alcoholic wine, indicate this to the chalice bearer at the altar rail. If you would prefer to receive Communion in your seat, please let one of the sides people know prior to the start of the service.

If after receiving communion you would like someone to pray with you about any need, please go to the baptistry side of the altar where the prayer team will be waiting.
